GOALS:

To motivate participants to begin writing grants or develop a grant team.

To gain basic grant writing skills using today's AI tools.

To gain knowledge about grant opportunities available to school districts through AI-assisted research.

To gain data resources and use AI to create a school demographic profile and better utilize academic scores and data.

To send participants back to their school with their own AI-powered magic wand.

To gain information on how to write, review, and strengthen grants using AI.

ABOUT THE PRESENTER

The presenter is a former school principal who has received over 150 million in grant awards.
