GOALS:			
To motivate participants to begin writing grants or to develop a grant team. To gain basic grant writing skills. To gain knowledge about grant opportunities available to school districts. To provide funded grants to recognize components of funded applications. To gain data resources and utilize the information to create a school demographic profile for grant applications & to better utilize academic scores and data for grant applications. To eliminate concerns about the difficulty of grants & follow up reports. To send participants back to their school waving their own magic wand. To gain information on how to write grants and review grants for income.			
ABOUT THE PRESENTER	The presenter is a former school principal who has received over 125 million in grant awards. Let her show you how to get your grant on!
