GOALS:

To motivate participants to begin writing grants or to develop a grant team.
To gain basic grant writing skills.
To gain knowledge about grant opportunities available to school districts.
To provide funded grants to recognize components of funded applications.
To gain data resources and utilize the information to create a school demographic profile for grant applications & to better utilize academic scores and data for grant applications.
To eliminate concerns about the difficulty of grants & follow up reports.
To send participants back to their school waving their own magic wand.
To learn how to review and write grants for income.
