GOALS: To motivate participants to begin writing grants or develop a grant team. To gain basic grant writing skills using today's AI tools. To gain knowledge about grant opportunities available to school districts through AI-assisted research. To gain data resources and use AI to create a school demographic profile and better utilize academic scores and data for grant applications. To eliminate concerns about the difficulty of grant writing and follow-up reports using AI. To send participants back to their school with their own AI-powered magic wand. To gain information on how to write, review, and strengthen grants using AI.			
ABOUT THE PRESENTER	The presenter is a former school principal who has received over 150 million in grant awards. Let her show you how to get your grant on!
